 - c. The Treasurer
 - i. Under oversight of the Administration & Finance Business Affairs Officer, the Treasurer is responsible for all financial transactions and reporting.
 - ii. The Treasurer manages budgets, additions/withdrawals to committee Indexes/accounts and the normal accounting duties and responsibilities attached to these activities.

- iii. The Treasurer follows appropriate NMSU policies and procedures regarding conditions, strategies, controls, record-keeping and compliance when handling funds.
 - iv. The Treasurer provides oversight for approved fundraising efforts.
- III. Administration and Financial Employee Council representative shall serve as ex-official member of the committee.
- IV. Volunteers
 - a. Volunteers are not elected, but rather serve at the discretion of a Co-Chair.

Election of Committee Members

- I. Elections will be held in November of each year.
- II. All regular (FTE, below Director-level) employees of Administration and Finance are eligible to serve on the Voice committee.
- III. Committee members are elected for a two year term. Terms will be staggered with half of the members from each unit being elected each year.
 - a. Even numbered election years— Terms for manager and one staff member from Business Affairs and Facilities & Services will expire. Terms for two staff members from Auxiliary Services and Information & Communication Technologies will expire.
 - b. Odd numbered election years— Terms for two staff members from Business Affairs and Facilities & Services will expire. Terms for manager and one staff member from Auxiliary Services and Information & Communication Technologies will expire.
- IV. Nominations for each unit will be solicited from all regular employees within that unit.
- V. Election of committee members will be by majority vote within each unit.
- VI. In case of a tie, the committee will vote to determine the winner.
- VII. If a committee member is unable to complete their term, an alternate representative from the same unit will be nominated by the outgoing committee member, subject to approval by the committee.

Election of Committee Officers

- I. Voice officers shall consist of two Co-Chairs, a Secretary and a Treasurer.
- II. Officer elections will occur after all membership seats are filled in November, but in any case, no later than the second regularly scheduled meeting in November.
- III. Officers are elected for one-year terms, and may run for no more than a second consecutive term.

- IV. Officers will be nominated by membership or self-nominated, then voted into office by a simple majority of the Committee. For any tied officer positions, a run-off election shall be held.
- V. The two Co-Chairs will have staggered terms when practical.

Meetings

- I. Regular meetings will be held at a minimum of once per month for one hour. Email communication will be used to determine the time and place of each meeting, or at the discretion of a Co-Chair. As a courtesy to their supervisors, Voice members will notify their supervisors of the Voice meeting schedule.
- II. Committee member time commitment is expected to be one hour per week. In the event that committee duties require a longer time commitment, the committee member's supervisor must approve the additional time allowed for committee duties.

- IV. Special meetings may be called by a Co-Chair and scheduled as required.
- V. The committee may host an annual organizational meeting and present a proposed program for review to the Administration and Finance Leadership Team.
- VI. All meeting materials (agendas, minutes, supplementary documents) shall be publicly viewable on committee website and posted within one month of meeting date.
- VII. A Co-Chair shall call for agenda items and/or establish agendas to be posted within a reasonable time before each meeting for participants to review.
- VIII. Committee members are responsible for notifying the Co-Chairs in advance if they cannot attend a meeting and/or to establish a proxy. A proxy is not required and is not a voting member.
- IX. If a committee member misses two consecutive meetings or fails to contribute to the committee's purposes in a significant manner (exceptions may be made at the discretion of a Co-Chair), the committee may replace the committee member following the guidelines laid out in the "Election of Committee Members" section of this Charter. The Secretary, at the direction of a Co-Chair, shall send a notification to the committee member alerting them to the issue and allowing the committee member to respond prior to any final action being taken. The call for a vote to replace the committee member will be at a Co-Chair's discretion.
- X. A two-thirds majority of members currently serving on the committee shall constitute a quorum.
- XI. Unless otherwise noted within this Charter, matters brought before the Committee shall be decided by a simple majority vote of the quorum, with a Co-Chair calling for further discussion and a subsequent vote each time there is a tie vote. In the case of an electronic vote, the same process shall be followed, with three business days allowed before obtaining a final tally of said electronic vote.
