

Administration and Finance
Weekly Activity Report
Week Ending: October 3, 2014

- **NMSU Aggies are Tough Enough to Wear Pink**
 - Housing and Campus Life along with many other departments and volunteers helped to host NMSU Aggies Are Tough Enough to Wear Pink throughout the week through educational events, fundraisers, and just plain fun!
 - **Fashion Show Luncheon:** Sodexo Campus Dining donated a full luncheon to over 800 guests at the annual “Tough Enough to Wear Pink” Fashion Show Luncheon. The menu included creamy ricotta cheese, seasoned chicken salad stacks and key lime bistro cake.
 - **In Light of the Pink:** Facilities and Services is lighting up the A on A-Mountain every night throughout the month of October. Pink bulbs are being used to show their support for the Tough Enough to Wear Pink campaign.
 - **Pink Support:** The Barnes & Noble Bookstore actively participated in many of our events, sponsoring the Relay race and helping with dorm decorations. They were very generous in donating products for events such as the Student Silent Auction and Dinner in the Taos Restaurant.
 - **The AF Pink Team:** The Administration and Finance Leadership Team purchased a table at the Fashion Show Luncheon and had a drawing to give away the seats to 10 lucky A&F employees.
 - **Other Pink Events:** Other events included the Luminaria Remembrance Ceremony, the Barnes & Noble Relay Races, 5K/10K Fun Run & Walk sponsored by the Cervantes family, and of course the TETWP Pink football game.
 - A very successful week was enjoyed by all. Our thanks go out to the many wonderful volunteers who made it happen.
- **Corbett Center Student Union** – Building renovations continue with the first phase of moves beginning October 6. For updated information on the renovation and availability of space, check the Corbett Center website at <http://ccsu.nmsu.edu/renovation/>
- **Maintaining Facilities** – Facilities Operations participated in the initial inspections of the Softball and Baseball facilities. The focus of the inspections was to identify facility maintenance support requirements and identify necessary repairs. The Executive Director of Operations will compile the list and meet with Athletics to review the list and develop a corrective action plan. The next facility to be inspected will be the football stadium.
- **Ready for Winter** – Plant operations personnel are performing the annual pre-heating system maintenance on the campus steam system. All of the campus heating and steam boilers have passed the annual inspection required by the state of NM.
- **ICT hosts Cyber Security Month.** – This year, as part of national Cyber Security Month, ICT is making computer and data security awareness its top priority, spreading the message, “Security is Everyone’s Responsibility.” Kicking off the month, ICT’s Information Security office is conducting presentations for staff and faculty and manning security information tables around the NMSU Las Cruces campus. ICT will be reaching out in various ways to spread the word about information security and compliance. Visit <http://infosec.nmsu.edu/security-awareness/> to find the times and locations of the presentations and information tables. Remember --- *Security is everyone’s responsibility!*
