

**Administration and Finance**  
**Weekly Activity Report**  
**Week Ending: January 23, 2015**

- **NMSU saves \$28,000 annually by generating its own electronic student billing** – University Accounts Receivable and ICT worked to develop an electronic billing solution using Banner and Evisions FormFusion systems' functionality. Prior to the billing solution, NMSU contracted with a vendor for the billing service at a cost of \$28,000 each year. Congratulations to Brian Atwood, Ray Silva, and Enrique Cardenas for their excellent collaborative effort.
- **Annual PGA Merchandise Show** – Dan Koesters, Director of the NMSU Golf Course and board member, is attending this event in Orlando, Fl. to meet with vendors and industry experts from all over the world. It is the largest golf trade show in the world and held annually to display the latest golf trends, offer inspiration and ways to operate more efficiently and profitably.
- **New Mexico Golf Course Superintendents** – NM Golf Course Superintendents from all across the state and El Paso gathered this week to discuss topics related to the turf grass industry. Various vendors and guests were also present at the meeting most notably Dr. Goss of NMSU and Mary Armstrong a local golf course architect.
- **Old Timers Golf Tournament** - The “Old Timers” are a group of senior golfers who travel the state playing outings once a month and we had the opportunity to host an event for them.
