Weekly Activity Report
Week Ending: March 13, 2015

- **Green Hornets: Moving up Ranks** – Facilities & Services Recycling group (Green Hornets) has been busy these last few weeks collecting recyclables for the annual Nationwide RecycleMania competition. Out of the 600 Colleges and Universities that are participating, we are currently in 6th place (from 8th place reported on 3/6/2015) in the Grand Champion category.
- **New Community Park** – Final preparations are being made at the new Community Park in Lot 34. This week the Grounds shop personnel supervised TRIO Day 2015 where 80 high school students worked with the crew to prepare the tree wells in the park. Grounds, Structural Maintenance, and Mechanical shop personnel completed the installation of the work out stations and drinking fountains. The community park signs will be installed and unveiled at the dedication ceremony on Monday March 16, 2015.
- **Central Utility Plant** - Plant Operations personnel will be performing scheduled maintenance on the Turbine this weekend. They will be working with SOLAR Turbines to perform the bi-monthly maintenance.
