Discover Sustainability Symposium

The NMSU Provost, Office of Sustainability, and the Sustainability Council are hosting the first annual Discover Sustainability Symposium, a TED talk style forum featuring local experts examining current environmental topics.

The Discover Sustainability Symposium is open to the public and will be on Tuesday, February 23rd in Domenick Hall on NMSU Campus from 3-5 pm.

Refreshments will be served and participants are encouraged to bring their own reusable water bottle. More information at sustainability.nmsu.edu or call 646-7563.

Lisa Grayfield
NMSU Dept. of Counseling and Ed. Psychology
"We are all indigenous people"

Mary Lucero
Agricultural Scientist,
"Restoring microbomes for food security and improved health"

Claire Catlett
