Dear Timothy,

On behalf of myself, Vice Chair John Morris, and the APPA Board for Educational Facilities Professionals Certification, I wish to extend our congratulations on successfully passing the Educational Facilities Professional (EFP) knowledge-based exam. By earning the EFP, you have validated your knowledge and competence as an accomplished educational facility professional.

You have joined a growing community of professionals who see value in your professional growth and the impact you make on your institution. You now represent the best of the best in educational facilities. Your success in earning the EFP confirms your achievements and illustrates your understanding of what it takes to create and maintain safe, functional, and inspiring learning environments, now and for future generations.

As a visible symbol of this achievement, enclosed is your official certificate of award. We hope that you find a place within your office to display this award as a reminder to you and your staff of this accomplishment.

Please advocate your recent accomplishment with your associates, and continue your journey of continued professional development with APPA.

If you have questions or need further assistance, please do not hesitate to contact our Director of Credentialing & Benchmarking, Christina Hills, at 703-542-3844 or christina@appa.org. Again, congratulations on this significant achievement!

Sincerely,

Chair,
