The student, residing in the assigned unit, shall comply completely and fully, and be bound by these Policies/Regulations. Notification procedures for Policies/Regulations changes may be found on the Housing and Residential Life web site. The Student, residing in the unit, has the obligation to be fully aware of Policies/Regulations that affect this Housing Agreement.

Occupancy — Occupancy is established upon issuance of a key (or encoding of a card) to the Student for a specified room/apartment/unit and does not require actual physical presence by the Student or his/her possessions.

Occult — Refers to the registered Student residing in the dwelling unit.

Single Student Housing — For the purpose of this Agreement, the following areas are defined as single student housing: all residence halls, the on-campus Greek Housing, certain areas of Cervantes Village, Chamisa Village and Vista del Monte apartment complex, and other areas which may be specifically identified as housing for single students.

If entered into after the start of the fall semester, for the remainder of the fall and spring semesters. The term of occupancy for single student housing includes University holidays which fall between each semester opening and closing date, as specified elsewhere herein. Termination is possible after occupancy when approved by the University at the Student’s request whereby the Student must receive written authorization from the Director of Housing and Residential Life, or designee, or when initiated by the University for disciplinary reasons or for failure to maintain eligibility. a) Check-in Procedure - The Student, may move into the assigned unit on the date specified. The Department of Housing and Residential Life will issue one key for single student housing units. The unit will then be inspected and the Student will be asked to sign an inventory form. Repairs needed, damages, missing items, are to be recorded by the Housing and Residential Life staff member and should be confirmed by the Student before the inventory form is signed. Signature on the inventory form by the Student establishes the Students’ acceptance of the condition of the unit/room/apartment and its contents and establishes same for the termination of occupancy.

b) Occupancy – Single Student Housing shall be used as a home by the Student. No additional persons are authorized to reside with the student and guests must comply with University’s Housing Campus Resident Guide. No commercial activity of any sort shall occur in the unit.

c) Assit in Maintenance - The University and the Occupants shall cooperate in the care of the dwelling and grounds. The Occupants are responsible for exercising reasonable care in keeping University property in good condition. The Occupants shall be expected to notify the Department of Housing and Residential Life, in a timely manner, of damage or needed repairs via the established Work Request procedure.

1) The Occupants agree to maintain the University’s property in good condition. If, through the negligence of the Occupants, the property is damaged (e.g., fire), the student will be held responsible for the cost of repairs associated with such damage.

2) The Student specifically agrees to be liable for damages or other loss incurred to the unit and equipment that is not the result of ordinary wear and tear.

d) Alterations by Occupants - The Student must obtain written consent from the Director of Housing and Residential Life or his/her designee before making alterations, additions or repairs to the dwelling, its equipment or grounds.

e) Amendment of Housing Agreement - The Student agrees that the University may amend the terms and conditions of this Housing Agreement. The Student’s continued occupancy, after notification of the new terms and conditions shall constitute agreement by all Occupants to such new terms and conditions.

f) Other Policies/Regulations - The Occupants shall comply with all University Policies/Regulations whether or not they are specifically mentioned in this Housing Agreement. Occupants shall require all guests to comply with all Policies/Regulations as well.

g) Students have 30 days from the date charges are posted to their student account to appeal charges posted to their account for damage, needed repairs, or other loss caused by the Occupant’s negligence.

GENERAL UNIVERSITY POLICIES

Refuse Assignments -- The University reserves the right to refuse to give a housing assignment to any student. Examples of reasons for refusal include, but are not limited to, individuals who have a criminal history, individuals who have behavioral problems which may, in opinion of the University, negatively impact the group living environment, individuals who have been previously evicted from campus housing, or individuals who have poor rental histories.

Use of Facilities -- When the University deems it necessary, students may be required to move to other accommodations as detailed below. When such circumstances occur, the Student agrees to complete the move within the time specified by the Department of Housing and Residential Life -- usually not more than 48 hours.

a) to vacate a floor, wing, patio, building or complex;
b) to consolidate single student residence hall or apartment students who are living in rooms or apartments that are not fully occupied;
c) to control the use of rooms/apartments/units, with medical direction, in the event of a severe health problem or epidemic;
d) to provide necessary space to accommodate staffing needs;
e) to reassign areas in order to accommodate the current gender mix;
f) to vacate an area for the purpose of major repairs or facility failures;
g) to temporarily close facilities during extended University break periods;
h) when unusual conditions occur affecting the health or safety of the Student or others.

The University reserves the right to cancel an assignment in the interest of order, health, safety or discipline.

Responsibility for Damage or Loss -- The Student’s signature on the Room/Apartment/Unit Condition Report establishes the Student’s
acceptance of the condition of the living space and its contents (except as detailed in the 24-hour always clean policy, published in the Community Guidelines) at the time of occupancy and, therefore, becomes the standard for the living space and its contents at the termination of occupancy. The Student specifically agrees to be liable for damage or other loss incurred to the building, apartment, room, furniture and/or equipment that is not the result of ordinary wear and tear. The University and the Student shall cooperate in the care of the dwelling and grounds. The Student is responsible for exercising reasonable care in keeping University property in an orderly, safe and sanitary condition. The Student is expected to notify Housing staff of damage or needed repairs in a timely manner via the established work order procedure.

**University Liability** -- The University shall assume no responsibility for the loss, damage or theft of personal property belonging to, or in the custody of, the Occupants for any cause whatsoever, whether such losses occur in student dwelling units, public areas or elsewhere in the residential complex. The Student is encouraged to carry personal property insurance. The Student agrees to save and hold harmless the University for injuries of any kind or nature occurring on the premises assigned to him or her.

**Search and Entry** -- The Student specifically agrees to be bound by the Search and Entry procedures of the University. The University reserves the right of entry to the room(s) by authorized representatives for the purpose of inspection, establishment of order, repairs, maintenance, inventory correction, extermination, cleaning, or in case of emergency or other reasonable purposes. The University Housing staff may enter a room/house/apartment, after knocking, without written authorization when there exists immediate and compelling cause, i.e., loud noise, complaints from other residents, emergency circumstances (such as fire evacuation), or similar overt occurrences. Evidence of regulatory or statutory violations that exist in plain and open view of the entering staff members may be used in initiating disciplinary procedures. Upon presentation of reasonable cause, the Director of Housing and Residential Life or his/her superior may issue authorization for the search of a designated room/house/apartment and the contents thereof. The authorization stating the reason(s), cause(s), or condition(s) necessitating the search shall be presented to the designated occupant(s) prior to the search. The University's Search and Entry policy is found in the current “NMSU Student Handbook.”

**Abandoned Property** -- Any property of the student left on campus following the expiration of this agreement or termination of occupancy shall be deemed abandoned and the student authorizes the university to dispose of it in any manner it decides including sale, donation, etc.

The failure or refusal of the University to insist on strict performance of this Housing Agreement, including permitting a default by the Student to occur, shall not preclude the University from enforcement of its right under this Housing Agreement.

**TERMINATION OF AGREEMENT AND/OR OCCUPANCY BY THE UNIVERSITY - ENFORCEMENT OF AGREEMENT**

a) Should this Housing Agreement be terminated due to the Student’s failure to meet/maintain the eligibility requirements set forth elsewhere herein, the Student agrees to vacate the room/apartment within twenty-four (24) hours unless permission to remain longer has been obtained, in writing, from the Director of Housing and Residential Life, or a designee.

b) The university may initiate termination with cause within the timeframe specified by the judicial process. This process can be found within the Student Social Code of Conduct. Immediate suspension of the Agreement may occur when, in the opinion of the University, the student’s behavior and/or presence represents a real and present danger to the residential community. In such cases, the student shall be required to vacate the room/apartment immediately under the supervision of the Director of Housing and Residential Life, or a designee or by campus police. Reinstatement of the Student into the living area may occur at the conclusion of adjudication of the case through the University discipline process or upon completion of administrative review when the outcome so necessitates. Termination carries a financial penalty, which includes lock change, removal of all personal property, restoration of the unit to check-in condition, and/or legal fees.

**TERMINATION OF AGREEMENT BY THE STUDENT**

**Single Student Housing** -- The Student may request termination of this Agreement by submitting the Petition to Terminate form along with supporting documentation. Said requests will be processed in compliance with the Student Housing and Residential Life Agreement. In all instances, the burden of proof shall lie with the student when substantiation of policy compliance is required. Students should not make other living arrangements until official approval has been received. Students may petition to terminate this agreement only for one of the following reasons:

If spring attendance is detected, the Department of Housing and Residential Life reserves the right to fully assess charges applicable under the Housing Agreement.

B. Marriage or Domestic Partnership
a. Housing Agreement termination due to marriage or domestic partnership will be approved no sooner than two weeks prior to the date of the official ceremony with supporting documentation. Annual Campus Dining Services Agreement
2016-2017

Agreement Term—The term of this Dining Services Agreement is for the entire academic year, with meal allotments and dining dollars being issued. Meals do not carry over; however, dining dollars will carry over from fall semester to spring semester. This agreement provides meals during the fall and spring semesters of a regular academic year. As a general rule, meal plan service will begin with dinner on the date that the residence halls open and end with brunch on the last day of classes. Meal plan service will not be available during extended University holiday periods. Actual operational dates will vary according to individual locations and the academic calendar.

Aggie Dining Dollars—Meal plan participants may add additional funds to their Aggie Dining Dollars. Participants must be in an enrolled meal plan to be able to add funds to their Aggie Dining Dollars. Aggie Dining Dollars will roll over from fall semester to spring semester. Any unused balance remaining at the end of the spring semester is forfeited. This applies to all Aggie Dining Dollars regardless if associated with purchase of meal plan or if funds have been added.

Eligibility—This agreement is mandatory for first year freshman students living in campus residence halls. Eligibility requirements established in the Student Housing License Agreement shall apply. Other students may participate as long as they are registered New Mexico State University (NMSU) students for the semester in question.

Acceptance—The student accepts the terms and conditions of this agreement upon submission of the Dining Services Contract.

Dining Program—All first year freshmen who live in campus residence halls are required to have a Dining Plan as part of the room and board package. Plan design is subject to change, with appropriate written notice provided to students who have already submitted preference forms. We will make every effort to accommodate special dietary needs or other health considerations. It is important, however, that you contact us in advance of the first serving day to make these arrangements. Under certain circumstances, supporting documentation may be required to assist us in meeting your needs. If you have special considerations, please include these on a separate sheet of paper attached to your dining services agreement form. You may change to another allowable plan during the first two weeks of meal operation. Plan changes will not be accepted after the established deadline for either the fall or spring semester.

Terms of Payment / Charges / Refunds—A $15 one-time non-refundable application fee must be paid via logging in to MyNMSU and select the link Pay NMSU Online through the NMSU Web payment system or paid at University Accounts Receivable located in the Educational Services Building. Meal plan charges are due and payable at University Accounts Receivable in conjunction with other charges (i.e. tuition, fees, housing, etc.). Plan charges shall be assessed on a semester basis and are subject to all applicable University policies and procedures as established by University Accounts Receivable.

Dining Service Agreement Termination by the Student—Prior to the start of a student’s first term for meal service, students who terminate their request for single student housing are also terminating the dining service agreement for meal service, unless otherwise noted in the letter of termination. Once meal service has started for a given semester, students wishing to terminate the Dining Services Agreement must petition the Manager of the ID Card Office, or his/her designate, for approval of agreement termination. Failure to participate in the Dining Program does not release the student from this contractual obligation. All approved terminations of the meal plan will be assessed a termination charge. Please refer to the termination charge schedule for charges that you are liable for if your termination is approved. Students who have the meal plan package may petition to terminate this agreement only for one of the following reasons:

A. Non Attendance
   1. Graduation - approved upon verification of graduation.
   2. Withdrawal from University – approved upon completion of withdrawal.
   3. Transfer- Formally leaving the University to attend another institution, or if you are transferring to another NMSU campus other than Dona Ana Community College.
   4. Non admittance to the University.

B. Marriage
   Contract termination due to marriage will be approved no sooner than two weeks prior to the date of the marriage and only when verification of documents presented as proof that marriage has occurred.

C. Financial Hardship
   You must provide documented evidence that there has been a significant, unexpected change in your financial situation, or that of any other(s) supporting you, from the time you entered into the agreement to present, and that this change renders you incapable of fulfilling the financial obligations associated with the campus dining commitment.
D. Medical Condition
Substantiation of a medical condition with dietary requirements that cannot be met by the services of Campus Dining. Documentation from a medical doctor must be provided. A University dietician will rule on the ability of Campus Dining to meet the prescribed diet.

E. Program or Academic Project
Student must provide proof of participation in an approved program or academic project that provides and/or requires meals off campus for the semester.

F. Freshmen cancellation/termination of Single Student Housing Agreement
Student must provide proof of Housing License Agreement termination.

G. Co-op/Academic Internship/Student Teaching
Student must provide verification of program participation.

H. Family Resident Meal Plan
If a family follows the university policy to terminate their campus housing and provides the appropriate thirty day notice then the Family Resident Meal Plan will terminate on the date they check out of campus housing and the termination charge schedule below will apply based upon that date. Any family who vacates Family Housing without proper notification will be subject to the termination charge schedule below based on Housing and Residential Life's termination date.

The termination charge schedule applies for students who have been officially released from the dining services agreement: Unless one of the conditions listed above in B-H applies, or university terminates the dining services agreement for good cause, any student who terminates after the University Census date will be billed at 100%. Students who terminate prior to census will be billed a daily rate from the beginning of the meal plan term to the date of approved termination. Students officially withdrawing/dropping courses or that are approved on a medical withdrawal during the term are eligible to receive a refund as follows by University Accounts Receivable tuition/fee refund terms.

Agreement Termination by the University—Upon reasonable notice and for good cause, the University reserves the right to terminate this agreement for failure of the student to abide thereby. Examples of good cause include, but are not limited to, failure to abide by the terms of this agreement, a change in student status (including academic or disciplinary suspension), or failure to comply with the policies and regulations contained in the Campus Dining Services program brochure and/or official informational bulletins distributed by Campus Dining Services, which are hereby incorporated into this agreement. A daily rate will be charged if this provision is invoked. The University reserves the right to refuse to give a dining services plan for individuals who have poor payment history.

The NMSU Student ID Card—Meal plan eligibility and associated dining dollars are a feature of the NMSU Identification Card. Students must present their ID card in order to gain entry into the dining area (Taos Restaurant) or to have meals at other locations. Cards and/or meals may not be transferred to other individuals. Lost cards are to be reported to the ID Card Office, located in the Corbett Center Student Union, as soon as possible. There is a fee charged for the replacement of a lost or stolen card.

Important Notice: Submission and acceptance of a Dining Services Application Form executes this agreement and implies acceptance on the part of the student of all terms and conditions stated herein.
