

December 2, 2014

Greetings,

I am very pleased to announce that the *Administration and Finance Strategic Plan* has been updated to align with NMSU's Vision 2020 Plan adopted by the Board of Regents during July 2014. Please take a moment to visit the website and review the updated plan at <http://af-strategic-planning.nmsu.edu/>.

As stated in AF strategic plan, the on-going planning process includes instituting changes to the plan when circumstances arise. An important modification to the plan is the adoption of the goals as outlined in NMSU's strategic plan, *Vision 2020*. The changes to our plan will ensure that our division's goals and objectives remain aligned with those of the university.

The division's senior staff has been charged with developing and implementing unit operational plans in support of the division's goals and objectives and will be reporting directly to their unit staff on the progress of those plans. If you have any questions or comments, please contact D'Anne Stuart or Kelly Woods at AF@nmsu.edu.

With our updated plan now in place, I look forward to your continued efforts that will ensure the success of our organization.

Angela
