Art in Public Places
The State of New Mexico Department of Cultural Affairs/ New Mexico Arts Division has commissioned Chevo Studios, Inc. as the artist to implement a piece of public art work on the Dona Ana Community College Campus. The artist has created a “Land and Sky” paired shade canopy design. In the weeks ahead, the installation of two shade canopies will be placed in the courtyard near the southeast corner of the DACC East Mesa Campus Academic Resources Building #622. The art focused canopies will create a gathering place for students, staff and visitors.
