SUBJECT: Annual Physical Inventory Training and Master Schedule

The annual physical inventory for NMSU, required by NMSA §12-6-10, will begin on **September 17th**. Following is the FY18 inventory schedule. The training video is available at <https://property.nmsu.edu/>. Scroll to the middle of the page and click on the video.

[Scanning Instructions link](#)

The overall inventory schedule is as follows:

September 17, 2018	System available
October 8, 2018	Email report to Deans, VPs and Executive Management on inventory status
November 16, 2018	Department Inventory Certifications due to Central Property - Inventory Complete
November 19, 2018	Inventory System locked from further inventory loading at end of day
November 27, 2018	Summary Units Inventory Certifications due to Central Property
December 3, 2018	Missing inventory certifications (these will be sent out to respective units)

All previous users will continue to have access to the inventory system. For new users, send request to Financial Systems Administration, For A&F and FS use: afhelp.nmsu.edu, for external users use: fsa.nmsu.edu/service-desk-request

An inventory check list has been included for your convenience and is also available at: [Inventory Checklist](#)
