HR Partner/EVPP, HR View, ELR, AAP & Pavroll Dashboard Overview

- 4. <u>Tasks:</u> This area allows you to create tasks for yourself or assign tasks to other users.
- 5. Activities Performed: This section allows the user to see a record of activities and helps to highlight when application status changes have not been made. Note: If there has been no activities performed by a user in the week the box will not be displayed. After the user has performed an activity it will display for the remainder of the week.

System Requirements:

- 1. Note: Be sure to 'Allow pop-ups' for the Talent Acquisition System (TAS)
- 2. Supported document formats: .doc, .docx .docm, .pdf, .txt, .rtf, .xls, .xlsm)
- 3. Supported browsers
 - a. Google Chrome Chrome is the recommended browser for the best experience this is also demonstrated in the browser usage pattern that we see within our customers. Operating Systems -Windows / Mac / Android / iOS
- 4. Also supported:
 - a. Mozilla Firefox Operating Systems Windows / Mac
 - b. Apple Safari Operating Systems Mac / iOS
 - c. Microsoft Edge Operating Systems Windows (Note: Initially, Microsoft Edge was delivered through a Windows update. People subscribed to Windows Insider program may have beta versions that are not supported).

We strongly recommend upgrading to one of the supported browsers for using NMSU's Talen Acquisition System applications as well as for general internet security.

You may notice that the application may work in browsers other than those mentioned above. While this may be the case, where such functionality is upgraded, support of that functionality will then be realigned to our current supported browser commitments.

NOT SUPPORTED
