

Research Report

RA-SPA-Grant Activity by Org.-Data Reference Fact Sheet

Purpose: The report allows the user to select a summary organization or all summary organizations and will provide a listing of total grants by organization in alphabetical order. The search can be limited to one or all roll-up organizations.

Example for Report Use:

- Use the report when you would like to run a summary of grants and related financial information for individual summary organizations with prior month expenditures and expenditures incurred to date.
- Use this report to assist with daily reconciliation of grant budgets and expenditures.

Reference: This report provides information similar to that provided by the Banner Form shown below.

Banner INB – Form Name
FRIGITD – Grant Inception to Date

Updated Frequency: The report is updated on a daily basis. The report footer at the bottom of the page should be referenced for the date of the last update.

Report Data Results

Agency: Name of the granting agency.

Grant: Grant number assigned to the contract/award.

OGC#: Institutional number assigned by Office of Grants and Contracts at the proposal stage.

Principle

Investigator: Principal investigator, the person who takes direct responsibility for completion of the funded project.

Start Date: The start of the grant based on the award documentation. The date could be different from the fund start date, based on the scope of work segregated at the fund level.

End Date: The end date of the grant based on the award documentation. This date could be different from the fund end date based on the scope of work segregated at the fund level.

Month-End Results versus Current: Month-End results are as of the last closed fiscal period. Current results are as of the last time the report was updated, in this case the last update can be found at the bottom of the report in the footer.
