

Environmental Education Center

The Environmental Education Center is now open!

Blue jean insulation in all interior and exterior walls

Soft seating on Interface "Net Effects" carpet made from abandoned fishing line

All furniture in the EEC is re-used. Everything was donated by Business Environments, the New Mexico Steelcase dealer

Kindergarten - 2nd grade students learning about sustainability

Green Tips

A few tips on being a Green Aggie

- Turn off lights when you leave a room
- Reduce water use and shower time
- Ride a bike! Walk!
- Eat and grow your own veggies
- Shut off laptops and monitors when not in use
- Take reusable bags to the store
- Turn your car off if you idle more than 10 seconds
- Research and continue to learn about being a healthy steward of the planet
- Recycle (or don't use it in the first place!)
- Visit the Environmental Education Center

In this Issue

P. 2 Student Clubs

P. 3 Earth Day Fair

P. 4 Green Pledges

Hydration Station count as of 01/1/15:

486 - 480

Hydration Stations on campus: 38

OoS volunteer opportunities

Do you care about Sustainability? Do you want to share your knowledge of sustainability with the NMSU community? If so, here are ideas for the Office of Sustainability. Volunteer opportunities include but are not limited to the following:

- Tabling and outreach
- Chalking
- Energy use metrics
- Work the compost pile for ESSO
- Tend the EEC garden

Please contact joni if you are interested in volunteering. Remember, FUN is our middle name!

Green Aggie Pledges

Beginning at tabling events at the start of the semester, NMSU students were informed about sustainability and what they can do to live as “Green Aggies.” After gaining this knowledge, the students had the opportunity to write out a pledge to adjust their lifestyle into a healthier and more conscious benefit to the planet. Here are a few of our favorites:

OASIS

The Organization of Aggie Students Inspiring Sustainability is involved in great projects throughout the year. Join them for meetings in EEC every Friday from 4-5 p.m.

Activities include:

- Earth Day
- Film night
- Real Food Challenge
- Apple Orchard - apple picking, cleaning up, and assistance

President: Shelly White
oasisnmsu@gmail.com

Crimson Creations

Crimson Creations is a new student-run retail store located in Gerald Thomas, Rm. 150. Crimson Creations sells only NMSU student-made products such as:

- Gelato and sorbet
- Dry food mixes
- Cookies and pie from NM pecans
- Floral arrangements
- Local produce from campus farm
- Fashions made by ACES students

ESSO

Environmental Science Student Organization is back in business! Come join the group in Skeen Hall, Rm. N120 Tuesdays at 5:00 p.m.

Activities include:

- Compost at organic farm
- Fundraising bake sales
- Organic gardening
- Earth Day tie-dye T-shirts

President: Mariah Fleming
essonmsu@gmail.com

Date: April 19, 2015
Location: NMSU Horseshoe
Sponsored by OASIS
Time: 12:00 - 7:00 PM

- * Children's activities
- * Free parking
- * Organic farm tours
- * Live music
- * Petting zoo
- * Educational booths

Students pledge to be Green Aggies!

Thank you!
♥
